

MINUTES OF THE  
COLONIAL PINE HILLS SANITARY DISTRICT  
March 17, 2026

Since a Quorum was not going to be available on March 17<sup>th</sup>, the President of the Board of Trustees, Edward Mills elected to cancel the meeting. And, being there was nothing of immediate concern on the agenda, other than monthly reports, he also elected to not reschedule the meeting. The Board will meet again on April 21<sup>st</sup> at its normal time and place.

Respectively,

Jim Martin, Manager/Clerk
